NOTIFICATION

No.FEE 58 FWL 2019, Bengaluru, Date: 16.05.2019.

Whereas the Government of Karnataka in exercise of the powers conferred by Section 26-A(1)(b) of the Wildlife (Protection) Act, 1972 [Amendment in 2006] [39 of 2006] [Central Act 53 of 1972] has declared the area, the situation and limits of which are specified in the **Schedule-I, Schedule-II** and **Schedule-III** of this notification, which was earlier notified as Kamasandra State Forest (Block I to IV), Kamasandra State Forest Block-V and Sorakayalahalli State Forest by the Government of His Highness the Maharaja of Mysuru vide Notification Nos.11944-Ft. F. 96-95, dated: 21st June 1898, R. 6152-Ft. 102-53-3, dated : 22nd November 1905 and I.C. 4544-7Ft. 183-22-2, dated: 20th January 1923 to an extent of 27 square miles, 1.88 Square miles and 1.47 square miles respectively is now declared as **"Kamasandra Wildlife Sanctuary"** by reasons of its ecological, faunal, floral, geomorphological, zoological association or importance and for the purpose of protecting, propagating or developing wildlife or its environment is included in the Sanctuary.

And whereas the Government of Karnataka, considers it necessary to declare the area as a Wildlife Sanctuary in view of the following aspects;

- 1) During the 6th meeting of State Board for Wildlife chaired by the Hon'ble Chief Minister of Karnataka held on 12-03-2013, it was resolved that the proposal for declaring Kamasandra Reserved Forests and Sorakayalahalli Reserve Forests as "Kamasandra Wildlife Sanctuary" should be examined by the Sub-Committee of the State Board for Wildlife.
- 2) In this regard, the Sub-Committee of the State Board for Wildlife visited the site from 05.05.2015 to 07.05.2015 and recommended the proposal for constituting Wildlife Sanctuary to the State Board for Wildlife.
- 3) In continuation of the discussions held during 8th State Board for Wildlife meeting regarding declaring "Kamasandra Wildlife Sanctuary", the subject was discussed in the 11th meeting of the State Board for Wildlife held on 09-01-2019 under the Chairmanship of Hon'ble Chief Minister, Government of Karnataka, and it was finally resolved to declare the Kamasandra State Forest (Block I to IV), Kamasandra State Forest Block-V and Sorakayalahalli State Forest areas as **"Kamasandra Wildlife Sanctuary"**.

- 4) The Kamasandra Reserved Forest (Blocks I to V) and the adjacent Sorakayalahalli Reserved Forests fall under Eastern Ghat tracts comprising 7482.08 ha and 380.74 ha respectively plays a major role not only in providing much needed habitat for the elephants but also for the movement of elephants forming a corridor between the States of Tamil Nadu, Karnataka and Andhra Pradesh.
- 5) These forests despite receiving low rainfall, exhibit floral and faunal diversity that needs greater attention. These forests are home to wild animals such as Four Horned Antelope, Spotted deer, Blackbuck, Sambar, Hyena, Python, Slender Loris, Sloth bear, Leopard, Wild cat, Wild boar, Indian fox, Jackal, Common Palm civet, Small Indian civet, Indian pangolin, Porcupine etc., and the flora of the area includes Chigare, Bevu, Hale, Bore, Kakke, Seethapala and many dry zone species along with variety of herbs, shrubs, grasses and a few medicinal plants. Apart from this a number of reptiles and hundreds of bird species are found in these forests.
- 6) These forests also act as an important catchment for many streams and man made lakes around these forests.
- 7) There are no human habitations within these forests, hence, it does not involve any relocation activity.

And whereas all the rights in respect of these Reserve Forests to be constituted as “**Kamasandra Wildlife Sanctuary**”, are already vested with the State Government.

The “**Kamasandra Wildlife Sanctuary**” shall not include any of the Revenue Villages, Patta lands and Revenue lands on the date of publication of this notification. The rights or privileges as notified in the Reserved Forest notifications of the respective Forests will continue.

Now therefore, in exercise of the powers conferred by Section 26-A(1)(b) of the Wildlife (Protection) Act, 1972 [Amendment in 2006] [39 of 2006] [Central Act 53 of 1972] the Government of Karnataka hereby declares that the area specified in the **Schedule-I**, **Schedule-II** and **Schedule-III** shall be comprised within the “**Kamasandra Wildlife Sanctuary**” and further declares that the said forest areas shall be called as “**Kamasandra Wildlife Sanctuary**” with effect from the date of publication of this notification in the gazette.

FOREST, ECOLOGY AND ENVIRONMENT SECRETARIAT

NOTIFICATION

No.FEE 62 FWL 2019, Bengaluru, Date: 16.05.2019.

Whereas the Government of Karnataka in Exercise of the powers conferred by Section 26-A(1)(b) of the Wildlife (Protection) Act, 1972 [Amendment in 2006] [39 of 2006] [Central Act 53 of 1972] has declared the Gudekote Reserve Forest, Gudekote Extension Reserve Forest and Halasgaram Reserved Forests areas to an extent of 4761.17 Ha. as "Gudekote Sloth Bear Sanctuary", vide the Government of Karnataka Notification No: FEE 72 FWL 2013 dated: 11.11.2013 and FEE 432 FWL 2014 dated: 21.09.2016. Now, the Government of Karnataka has declared the Schedule-II Reserve Forest areas to an extent of 12,005.48 Ha which are adjoining to the existing "Gudekote Sloth Bear Sanctuary", the situation, limits and extent of forest areas which are comprising of Government of

Karnataka notified reserved forests by reasons of its ecological, faunal, floral and geomorphological importance, and for the purpose of protecting, propagating and developing wildlife therein or its environment as “**Gudekote Extension Sloth Bear Sanctuary**”

And whereas the Government of Karnataka considers it necessary to declare the area as a “Gudekote Extension Sloth Bear Sanctuary” in view of the following aspects:

1. During the 11th meeting of the State Board for Wildlife held on 09.01.2019 under the Chairmanship of Hon'ble Chief Minister, Government of Karnataka, it was resolved to declare the adjoining Reserved Forest areas to the existing Gudekote Sloth Bear Sanctuary as “**Gudekote Extension Sloth Bear Sanctuary**”.
2. The Reserve Forest areas included in the Gudekote Extension Sloth Bear Sanctuary are unique ecosystem of wildlife, and its habitat is most suitable for the Sloth Bears and other wildlife.
3. The reserved forests shown in Schedule-II are the areas where the natural environment can easily be affected or harmed by the biotic pressure and therefore needs special protection. Because of the unique features these forests deserve to be defined as “**Ecologically Sensitive Area**”. The list of flora and fauna of the area suggests that the forests are ecologically ‘**Rich**’, ‘**Valuable**’, ‘**Unique**’ and irreplaceable if destroyed.
4. Further, by virtue of biological richness, the areas are potentially of high value to human societies, help in maintaining the ecological stability and are significant in conserving biological diversity.
5. Due to biotic & climatic interventions, there is a threat of degradation of natural forests and wildlife. Hence, there is a need to conserve this precious & irreplaceable unique landscape.
6. In order, to reduce the man-animal conflict in these areas, conflict happen due to interaction of population with Sloth Bears and Leopards mostly both the species have been given highest protection under schedule-1 of the Wildlife (Protection) Act, 1972 and these species are facing increasing threats from various corners.
7. These forests provide better habitat for the wild animals including Leopards, Sloth Bears, Pangolins, Wild Boars, Porcupines, Jackal, Foxes, Indian Wolf, Hare etc., hence, extending the Sanctuary is essential. The adjoining forest areas are dry deciduous and thorny scrub type forests, interspersed with rocks and boulders and are ideal for Sloth Bears, Leopards & other wild animals.
8. The reserved forests proposed for notification are adjoining to the existing Gudekote Sloth Bear Sanctuary and form corridor for the movement of wild animals. These forests are very good habitat of Sloth Bears and Leopards. The total area of the existing sanctuary is 4761.17 Hectares which is considered small area for long ranging wild animals like Sloth Bears and Leopards. Thus, to make it a viable habitat, the adjoining areas need to be declared as sanctuary and managed.
9. These forests have one of the few wild surviving populations of the endangered Indian Sloth Bears (*Melursus ursinus*), which is endemic to Indian subcontinent. The Indian Sloth Bear is given highest protection under Schedule-1 of the Wildlife (Protection) Act, 1972.
10. These forests also harbour other endangered wildlife species such as Indian Leopard (*Panthera pardus*), Pangolin (*Manis crassicaudata*), Porcupine (*Hystrix indica*), Indian Fox (*Vulpes bengalensis*), Indian Jackal (*Canis aureus*), Jungle Cat (*Felis chaus*) and other species of mammals of North Karnataka. There are a number of reptiles and numerous species of birds are also found in these forests.

And whereas all the rights in respect of the Notified Reserve Forests to be constituted as “Gudekote Extension Sloth Bear Sanctuary”, are already vested with the State Government. The Gudekote Extension Sloth Bear Sanctuary, shall not include any of the revenue villages, patta lands and revenue lands on the date of publication of this notification.

Now, therefore, in exercise of the powers conferred by Section 26-A(1)(b) of the Wildlife (Protection) Act, 1972 [Amendment in 2006] [39 of 2006] [Central Act 53 of 1972] the Government of Karnataka hereby declares that the areas specified in the **Schedule-II** shall be comprised within the Gudekote Extension Sloth Bear Sanctuary and further declares that the said area shall be wildlife sanctuary and called as “**Gudekote Extension Sloth Bear Sanctuary**” with effect from the date of publication of this notification.

SC-500

BY ORDER AND IN THE NAME OF GOVERNOR OF KARNATAKA

K.R. RAMESH

UNDER SECRETARY TO GOVERNMENT (I/C)
FOREST, ECOLOGY AND ENVIRONMENT.
(FOREST-A)

FOREST, ECOLOGY AND ENVIRONMENT SECRETARIAT

NOTIFICATION

No.FEE 63 FWL 2019, Bengaluru, Date: 16.05.2019.

Whereas the Government of Karnataka in exercise of the powers conferred by Section 26-A(1)(b) of the Wildlife (Protection) Act, 1972 [Amendment in 2006] [39 of 2006] [Central Act 53 of 1972] has declared the **Schedule-I** area as "**Bukkapatna Chinkara Wildlife Sanctuary**", the situation, limits and extent of forest areas which are included in Bukkapatna Chinkara Wildlife Sanctuary are comprising of Government of Karnataka notified reserved forests as shown in **Schedule-II, Schedule-III & Annexure**, by reasons of its ecological, faunal, floral and geomorphological importance, and for the purpose of protecting, propagating and developing wildlife therein or its environment.

And whereas the Government of Karnataka considers it necessary to declare the area as a Wildlife Sanctuary in view of the following aspects:

1. During the 11th meeting of the State Board for Wildlife held on 09-01-2019 under the Chairmanship of Hon'ble Chief Minister, Government of Karnataka, it has been resolved to declare the Reserve Forest areas mentioned in Schedule-II, Schedule-III and Annexure as Bukkapatna Chinkara Wildlife Sanctuary.
2. The reserved forest areas in Annexure-I are the areas where the natural environment can easily be affected or harmed and therefore these areas need special protection. Because of the unique features these forests deserve to be defined as "**Ecologically Sensitive Area**". Further, as the area is having growth of economically important tree species and is vulnerable even to mild disturbances it demands careful management. Thus, the area is considered to be "**Ecologically and Environmentally Important**". The list of flora and fauna of the area suggests that this area is ecologically '**rich**', '**Valuable**', '**Unique**' and irreplaceable if destroyed.
3. Further, by virtue of their biological richness, they are potentially of high value to human society, help in maintaining the ecological stability of the area and are significant in conserving biological diversity. The uniqueness of the services they offer to human society is precious.
4. As explained in the above paras, the area needs to be conserved taking the local context into account, on the basis of graduated or layered regulations as well as positive incentives depending upon their intrinsic value and extent of resilience.
5. Due to biotic & climatic interventions, there is a threat of degradation of rich natural forest and to the Wildlife of the area. Hence, there is a need to conserve this precious & irreplaceable unique wealth given by nature.
6. The habitat of these forests are unique, wherein all three types of Antelopes viz., Four Horned Antelope, Blackbuck and Chinkara are found in the said habitats in addition to other Scheduled animals such as Bear, Leopard, Hyaena, Indian Wolf etc., Apart from this a variety of flora and fauna including about 25 mammals, 12 ambhibians, 28 reptiles, 54 butterflies, 160 birds are found in these forests.

And whereas all the rights in respect of the notified Reserve Forests to be constituted as "Bukkapatna Chinkara Wildlife Sanctuary", are already vested with the State Government. The Bukkapatna Chinkara Wildlife Sanctuary, shall not include any of the revenue villages, patta lands, revenue lands on the date of publication of this notification.

Now, therefore, in exercise of the powers conferred by Section 26-A(1)(b) of the Wildlife (Protection) Act, 1972 [Amendment in 2006] [39 of 2006] [Central Act 53 of 1972] the Government of Karnataka hereby declares that the areas specified in the **Schedule-II** (details of various Forest Sy. Nos. are given in **Annexure**) shall be comprised within the Bukkapatna Chinkara Wildlife Sanctuary and further declares that the said area shall be wildlife sanctuary and called as "**Bukkapatna Chinakra Wildlife Sanctuary**" with effect from the date of publication of this notification.

NOTIFICATION

NO.FEE 13 FWL 2019, BENGALURU, DATE: 07.06.2019

Whereas the Government of Karnataka in exercise of the powers conferred by Section 36-A of the Wildlife (Protection) Act, 1972 [Amendment in 2006] [39 of 2006] [Central Act 53 of 1972] has considered the area, situation, limits and extent of areas which are specified in the **Schedule-I** are comprising of only Government lands as shown in **Schedule-II** to declare as "**Kolar Leaf-nosed Bat Conservation Reserve**" by reasons of its ecological, faunal, floral and geomorphological importance and for the purpose of protecting, propagating and developing wildlife therein or its environment and mainly to protect the important habitat of Kolar Leaf-nosed Bat which is unique rare, endemic and endangered species which are redetected only in the subterranean caves of Hanumanahalli village of Mulbagal Taluk, Kolar District.

And whereas the Government of Karnataka considers it necessary to declare the area as a “**Kolar Leaf-nosed Bat Conservation Reserve**” in view of the following aspects:

1. During the 11th meeting of the State Board for Wildlife held on 09.01.2019 under the Chairmanship of Hon'ble Chief Minister, Government of Karnataka, it was resolved to declare the Government lands in and around Hanumanahalli as “**Kolar Leaf-nosed Bat Conservation Reserve**”.
2. The Government lands included in the Kolar Leaf-nosed Bat Conservation Reserve are the only redetected areas so far where the species of Kolar Leaf-nosed Bat (*Hipposideros hypophyllus*) have been found only in these caves and shares its roost with four other species of bats.
3. The species Kolar Leaf-nosed Bat has been categorized as “Critically Endangered” in the International Union for Conservation of Nature (IUCN) Red List.
4. The Government lands shown in **Schedule-II** are the areas where the natural environment can easily be affected or harmed by the biotic pressure and therefore needs special protection.
5. In order to give highest protection under the Wildlife (Protection) Act, 1972 as these species are facing increasing threats from various corners, urgent action is needed to stop the said habitat destruction for survival of the species.
6. Apart from the Kolar Leaf-nosed Bat, the area also constitutes some species of birds, butterflies and amphibians.

The Kolar Leaf-nosed Bat Conservation Reserve does not include any of the Revenue villages, Patta lands, Hakkals and Betta lands, Leased lands on the date of publication of this notification. The various rights as notified in the village statements shall continue. As per the RTCs of the said lands, the ownership and possession are with the Revenue Department of the State Government of Karnataka. And whereas all the rights in respect of boundaries of the Government lands to be constituted as “Kolar Leaf-nosed Bat Conservation Reserve”, are already vested with the State Government.
